PRESS RELEASE

Children's Singing Club at Chester Cathedral

Are you aged 6 – 11? Then come and join our successful Saturday Singing Club - there is no charge to attend but it is necessary to book.

This is a wonderful opportunity for children to experience the pleasure of singing. The Club meets in the Song School from 10.00 – 11.30 am on a Saturday morning, to sing together and learn new musical skills in a fun and enjoyable way. The sessions culminate in a 30 minute informal concert in the Cathedral at 11.30 am on Saturday 21 November, and there may be the opportunity to sing at the Crib Service in the Cathedral on Christmas Eve.

The Club is funded by the Chorister Outreach programme which is part of the 'Sing Up' movement whose aim is to encourage all primary school children to make singing a natural part of their everyday lives. Ian Roberts, the Cathedral's dynamic Assistant Director of Music, said 'The Saturday Singing Club is a fantastic opportunity for primary school age children to have fun singing and also to learn a variety of musical skills along the way. We're striving to make Chester a 'singing city' and the Saturday Club is contributing to that aim'.

For further information or to register, please telephone Russell Millhouse on 01244 500953 or online at www.chestercathedral.com
